- Portable GPS rentals available with worldwide mapping

Product Specifications:

- Full mapping service throughout Western Europe.
- North America: Detailed mapping in USA (Including Alaska, Puerto Rico and US Virgin Islands) Hawaii and Canada.
- Mapping for Grand Bahama Island, St Bart, Guadeloupe, Martinique, French Guiana and Cayman Island, and Mexico.
- Full mapping in Australia and New Zealand.
- Detailed mapping in South Africa and major urban areas and roadways in Botswana, Namibia, Lesotho, Swaziland and Mozambique
- Detailed mapping for Iceland, Norway, Denmark, Sweden and Finland.
- Coverage for Eastern European countries (Poland, Czech Republic, Slovakia, Hungary, Austria, Slovenia and Croatia)
- Full mapping coverage in Cairo, Egypt and major urban areas and roadways in Greece, India, Israel (excluding West Bank) Morocco and Turkey.
- Middle East - Coverage for Kuwait, Bahrain, UAE, Qatar, Oman, Saudi Arabia, Jordan, Iraq, Lebanon and major cities.
- Asia: Detailed mapping in Taiwan, Hong Kong, Singapore, Malaysia, Thailand and Macau. Coverage of major urban areas in Indonesia.
- Russia: St Petersburg and Moscow and major cities. Major roads are covered in the rest of the country.
- Mapping of the major urban area of Brazil.

Product Benefits:

- The portable GPS units are the latest models and are a must have when traveling. Countries that have detailed mapping or full coverage have a comprehensive list of hotels, restaurants, service locations and attractions throughout the country. This gives the user the most destination options in the country.

Pricing

- \$3 per day plus shipping with car rental services.
